Membership of SCHA

This email is to inform you that SCHA intends to send our updates and newsletter to **only** members from now on. You are receiving this email as you have previously expressed an interest in the work of the Heritage Alliance.

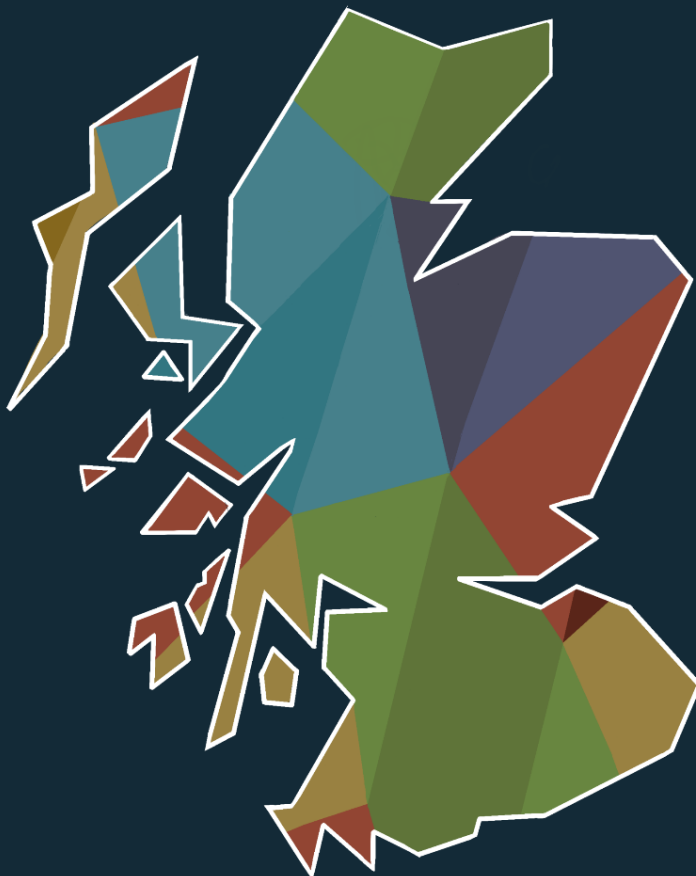

We have made this decision for a few reasons:

1. To show the desire for an active and engaged heritage network.
2. To present a united front to funders as we look to host 12 Regional roadshows across Scotland.
3. To make it easier for our small team to manage communication.

If you have not already joined, please click the button below and add your voice to the growing community heritage network in Scotland. Membership is completely free and you will be the first to hear about upcoming events. You will also be able to utilise our network to promote the work of your organisation.

If you are already a member and have received this in error, please discard and thank you for your support.
